Advertize your business or herd in the 7th Annual *Southwest WA Dairy Goat Assoc. Fundraiser Breeding & Records Calendar!!!*

This year's calendar runs from July 2011 - June 2012

Never take previous months down off your hoo or nail again to see when your doe was last in heat or bred! Now all you have to do is lift up the page to see all your info for the previous month(s)!

Extra large boxes, so you have plenty of room to write in. Each calendar is made out of 8.5" x 11" white cover stock paper.

Each week is also color coded in three different colors, so you can quickly figure out when your doe is due for her next heat cycle!

Also, every date includes Kidding/Due dates!!

These 12 month calendars run from July to June of the following year, so you can have your breeding & kidding dates all on ONE calendar!
